Synopsis

The strong God of Exodus. The ancient poetry of the Psalms, and the eternal teachings of Proverbs. Matthew, Mark, Luke, and the mystical beauty of John. The new heaven and earth of Revelation. These selections include 100 of the most distinctly meaningful passages of the Old and New Testament, made even more powerful through the transformative lens of art. Like a contemporary update on medieval illuminated manuscripts, the book combines the timeless words of the Bible with timely artwork "in this case, hand-lettering and illustration in a variety of beautiful styles and remarkable aesthetics from 25 contemporary artists. Beautiful art. I wish the pages could be torn out easily. However many are two page designs across the whole book. Tearing out one page would destroy the design on the back of others. I wanted to frame some Bible verses and this will work but it could be improved by making them easier to remove.

I stumbled upon this while browsing for a gift for a graduate. I wanted to get something that inspired, wasn't boring, and was something she would WANT to read/look at. This fit the requirements! Since there was no preview of the pages inside, I took a chance after reading the great reviews and bought a few for gifts. I was so happy when they arrived! The artwork is beautiful and truly captivating. I can see the girls I'm gifting them to, snapping pictures of them to post on Instagram or to send to friends. I'm excited to give them and will definitely be ordering these again whenever I need a gift that inspires! Now if only they made a male version... men are so hard to shop for!

This is a beautiful book full of bible verses but when I purchased I expected a much larger book. This book is very small but it can be taken with you on dr appts etc in your purse for some much needed time spent reading the Lord's word!

This is a beautiful book with gorgeous illustrations. I only wish that there was a way to make prints from the pages and frame them so I can look at them all the time! I found this at Barnes & Noble and checked it on the Price Check app to make sure I got it at the best price, which had of course! I hope they make a second book with more verses!!

Wonderful way to memorize and meditate on scripture. Great for encouraging the sick or bereaved. Beautiful images. After getting one for myself, I'm now buying several for gifts for others who could use some encouragement. It's smaller than a typical coffee table book, but is certainly elegant enough for display.

I am a visual person who understands written material more when it's illustrated and these illustrated scripture bring the Bible to life! I couldn't put this book down! My daughter borrowed it and I don't think I'm going to get it back! I bought the Bible too and can't wait to see what it looks like!

I really enjoyed how each verse was illustrated. It really showcases each verse's beauty. I am sure I will be looking at it often.

Lovely book. Will order again for gifts.
