Customer Reviews

Book contains 16 Jazz Standards that are well done and fun to play. Melody moves between first and second parts to provide interest for both players. Med to med+ level.

Bought as a gift for the trumpet player in my life, he says they are fun and good arrangements of classic jazz tunes!

my husband loves this! He is a trumpet player, and loves to do duets with his friend

New material to help keep practicing fun

When I can play this , I will have accomplished what I set out to do a couple of months ago
