Bad Cat Color Page-A-Day Calendar 2016

Synopsis

It's the calendar that's so wrong, so, so wrong, it's absolutely right. Adapted from the #1 New York Times bestselling book, *Bad Cat* delivers a laugh-out-loud year of outrageous feline behavior in alarming full color. Here are cats sleeping it off in the refrigerator. Cats unconvincingly dressed as angels. Cats passing gas in flower boxes. Cats flaunting ill-fitting bathing suits. Who knew there were so many ways for a cat to go bad? Includes Not-too-bright Bad Cats, Bad Cat of the Month, and Bad Cat Early Warning Signs (#112: Cat is unduly proud of his difficult personality). Oh so naughty.

I discovered the *Bad Cat* book at Houston Nutcracker Market years ago & daughter & I laughed so hard we cried! Last year I finally sent in a picture of *Moi Bebes* (Trixie & Dixie in calendar but Bella & Layla at home) & they made it in!!! I've been buying the calendar ever since it came out, cause the pics are hysterically funny & a good laugh is a good thing :) The publishers picked a great caption & names for *Moi Bebes* - they are on Oct 25, 2016 in desk calendar & on May 2nd in wall calendar. Thanks Workman Publishing for putting *Moi Bebes* in - they are such a fun pair of kitties.... MEOW!!! :)'

I agree, I buy a copy every year. The humor can turn a bad day into a good one in a flash -- and the pictures are great. Also, the calendar itself is of high quality -- paper is slick and heavy, and coloration crisp. No corners cut here.

Since I am an owner of a "bad cat" I love looking at a new calendar page each. My cat is an orange tabby and there seem to be a big percentage of that type each year. If you are a cat lover, you will love this calendar. Even if you are having a rough day it will make you laugh. The calendars also make excellent gifts.

A gift for my MIL. She loves cats and I gifted her the 2015 Bad Cat last year.. so we're doing it again for 2016. I love that the pages are in color. She gets a little giggle each morning and knows that we are thinking of her.. even if we do live 2,000 miles apart.

I purchased this as a Christmas present and the receiver told me she had a Bad Cat calendar a few years ago and loved it. She keeps this on her desk at work and her coworkers must stop by to see the "bad cat" of the day. I think I did a good job!

2nd year in a row I have purchased this for my grandmother for christmas. She liked last year's so well I got it again. She saved all the days to look at again and posts her favorites on the fridge. Very charming antidotes and a perfect gift or get for the cat enthusiast.

This calendar is very amusing. As with last year's, some people have managed to get some really funny photos of their cats. I try not to sneak ahead to the next day's photo. I often send them to friends who also have (potentially bad) cats. I definitely recommend this to any cat owner.

If you love cats and you have a sense of humor (those 2 really do go together) , you will get a chuckle or a downright belly laugh every day when you peel off the page for the next date. This is about the 3rd year I've purchased the Bad Cat calendars...there's a reason ;^).
