Charter Of The New Urbanism, 2nd Edition

Synopsis

THE DEFINITIVE GUIDE TO THE PRINCIPLES OF NEW URBANISM--FULLY REVISED The Congress for the New Urbanism (CNU) is the leading organization promoting walkable, mixed-use neighborhood development, sustainable communities, and healthier living conditions. Thoroughly updated to cover the latest environmental, economic, and social implications of urban design, Charter of the New Urbanism, Second Edition features insightful writing from 62 authors on each of the Charter's principles. Real-world case studies, plans, and examples are included throughout. This pioneering guide explains how to restore urban centers, reconfigure sprawling suburbs, conserve environmental assets, and preserve our built legacy. It examines communities at three separate but interdependent levels: The region: Metropolis, city, and town Neighborhood, district, and corridor Block, street, and building Featuring new photos and illustrations, this practical, up-to-date resource is invaluable for design professionals, developers, planners, elected officials, and citizen activists. New coverage includes: Urban-to-Rural Transect Form-based codes Light Imprint community design Retrofitting suburbia Tactical Urbanism Canons of Sustainable Architecture and Urbanism And much more Essays by: Randall Arendt G. Customer Reviews

While the book is everything you would ever want in terms of content and brilliance of the contributors, people should be aware that despite what .com says in its description, this is a softcover book (not a hardcover). I would hate for other people to be as disappointed as I was when I opened the box and found a softcover. Once you get over that issue, the book represents a very nice update of the original Charter.

It was disappointing when i opened the book, i saw all plans and images, diagram are in black and white.the page outline is not well-done and designed, the text and heading are very small. After reading the explanation of each charter, the Author leaves you without clear conclusion, which ,makes you confused.
