Customer Reviews

It is good idea for the beginner, having ready some art to enjoy the painting job, but the paper transfer does not work at all, I recommend to but special transfer paper. Deliver of the book was good on time and in good condition.

This book is an excellant source if you want to do some painting that is fun, relaxing, and beautiful or you can mix the painting ideas and create beautiful Landscapr Quilts that provides the opportunity to enjoy both mediums. has provided excellant quality books and are very prompt on the delivery of each and every item.

The tracings and the instructions are perfect for a beginner. Highly recommend for someone who is very new to painting...I will buy the watercolor and oil book.

The transfers were great. Maybe the painting steps could have been more clear when mixing and

applying the color. But it is a good book and I recommend it.
