Synopsis

Can you trust today’s Bibles? If God is perfect, does His Word need to be fixed? Do multiple versions accurately "correct" Scripture? Which one should you choose? Are some good; are some bad? Are you confused about which Bible translation is purely God’s Word? If you are asking these questions, or desire to increase your understanding of today’s Bibles, this audiobook is for you! Our Creator’s eternal plan of redemption was written to transcend all generations. Do His actual Words exist now, or are they lost forever to imperfect translations? The Perfect Bible is written in an easy-to-listen, thoughtful manner. Twenty plus years of extensive and sincere research into the history of the Bible display important facts that allow each listener to draw their own conclusion in choosing the right one. Retrace the sacred steps of Holy Writ, beginning with Moses in 1400 B.C. Locate precisely the arrival of Heaven’s Book into our current age. See the evidence that will lead us from the original God-breathed manuscripts to one Holy Bible of modern times. Find out why Harvard University’s Literary Guide to the Bible reports, "The authorized version has the kind of transparency which makes it possible for the listener to see the original clearly." Yes. We may trust God’s Word today in faith as well as fact!

Book Information

Audible Audio Edition
Listening Length: 10 hoursÂ andÂ 2 minutes
Program Type: Audiobook
Version: Unabridged
Publisher: Dr. Troy Clark

Best Sellers Rank: #78 inÂ Books > Audible Audiobooks > Religion & Spirituality > Bibles #9103 inÂ Books > Christian Books & Bibles > Bibles #328152 inÂ Books > Religion & Spirituality

Customer Reviews

Troy Clark has written an impeccable book that is able to cover large amounts of information is a compacted track of time. The hunks of historical data are well worth the price of the book alone. In fact, this work is jam packed with all kinds of truthful nuggets. Things such as the following:On the problems with the dynamic equivalency method Clarks writes Ã¢Â Â“ Ã¢Â ÂœWhen translating scripture by dynamic equivalency method, parts of speech may be switched by the person

translating, as it is carried over from one language to another. There are no governing rules either. Verbs may change in tense. An adjective might become a noun. Plurals become singular. One word becomes three words. Anything goes! There is no loyalty to the original text being translated from. Words and parts of speech mutate.Ã¢Â Â•On the Byzantine empire he writes Ã¢Â Â“ Ã¢Â ÂœThe eastern outgrowth of the empire founded in Rome was designated Ã¢Â Âˆ ByzantineÃ¢Â Â™ in the 16th century as a popular term among German historian Hieronymus Wolf and French authors Du Cange and Montesquieu. All modern textual critics acknowledge the Textus Receptus was the Greek New Testament in general use throughout the Byzantine Period (312-1453 A.D.)Ã¢Â Â•Of the famous Erasmus he writes Ã¢Â Â“ Ã¢Â ÂœErasmus traveled extensively throughout Europe. He was welcome as a precious commodity everywhere. His collation (collection) of Scripture manuscripts from hundreds of sources, libraries, and schools of learning in every crack and crevice of the Eastern peninsula, earned him the reputation as a Ã¢Â Âˆ living libraryÃ¢Â Â™. In eight years, his collection of Greek manuscripts stacked up to 5000.Ã¢Â Â• Ã¢Â Â| etc, etc.Some personalities that hold to the Authorized Version (a.k.a. King James Bible) donÃ¢Â Â™t like to use the word Ã¢Â ÂœperfectÃ¢Â Â• to describe it; through they will make statements that it has no translational errors. If then, the Authorized Version is translationally inerrant, is not the word Ã¢Â ÂœperfectÃ¢Â Â• a good synonym to express this? IÃ¢Â Â™ll let you be the judge of that. Whether you agree with the conclusion in this book, that the Authorized Version is the perfect Bible, or not; this work will at least educate and inform as to why many do. This book is a great contribution to the Bible version debate and a perfect addition to anyoneÃ¢Â Â™s library.

This book was very inspiring and gave a lot of clarification I believe we all need as Christians in the world today! This is definitely a must read for all, especially if you are seeking some guidance, as I was. DEFINITELY get your copy today!

I really enjoyed this book. It is easy to read, informative and to the point. American Christianity has two major foes: ignorance and hypocrisy. This book is written to the first, honest and misguided people, who love GOD, and want to do what is right. Second category will benefit only if they repent of hypocrisy.I would advice anyone who wants to know the Truth and True GOD to read this book and take in serious consideration the information therein.
