Synopsis

Through his luminous photography of horses, Tony Stromberg works to bridge what he calls modern lifes disturbing separation between people and nature. This gorgeous Spirit Horses wall calendar is filled with extraordinary portraits of horses, both wild and domestic, paired with quotations from teachers and writers exploring equine wisdom and its intersection with spirituality. Creator of the books Spirit Horses (2005) and The Forgotten Horses (2008), both published by New World Library, Stromberg believes that horses can be profound teachers, bringing deep awareness to a world dangerously out of balance. Amber Lotus is proud to partner with New World Library to produce this intimate look at humankinds most enduring companion.

Customer Reviews

Really nice calendar. I didn’t need another calendar, but I saw this one and bought it. I would say it’s my favorite. It shows phases of the moon, all holidays, including international ones, and has nice quotes on every page.. I recommend this calendar.

I love this calendar; beautiful pictures tht are to die for!....only dowside is I wish the material used was a little more hardy; it’s a little floppy. When it’s hanging on the wall the corners don’t stay up as well as I would like.

Gave this for a Christmas Present for a girl friend who loves horses. The beautiful photographs captured the free spirits of the wild horses and a joy to know that she will enjoy it each month.

I love this calendar. I buy it every year. Gorgeous pictures. One year I even removed a couple of the prints and framed them to use in a wall collage. Nice quality.

I gave this as a gift to a friend that loves horses. She thanked me for the gift every time I spoke to her for a month.
